

Animal captions

- What is the animal?
What is it doing?
- Write a caption for each picture.

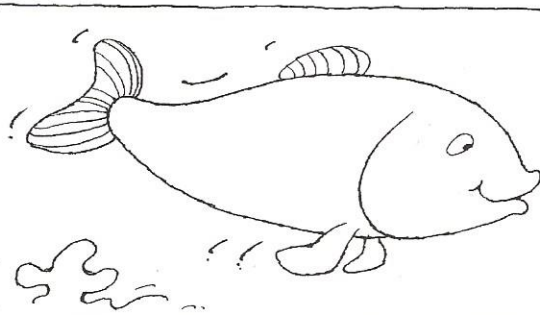

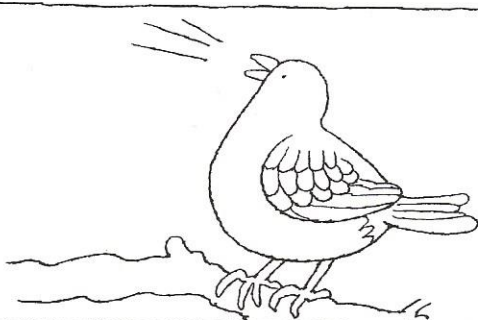

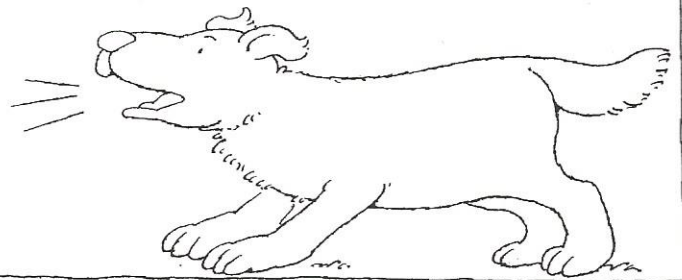

A cat drinking milk

Animals	What they are doing
fish	barking
cat	swimming
cow	drinking milk
bird	singing
dog	eating grass

A

- Draw pictures of other animals.
- Write captions for them.

Teachers' note Model the first example with the children; ask them what is in the picture, read part of the caption ('A cat') and then ask them what the cat is doing ('drinking milk'). Point out that a caption need not be a sentence.
