

**Thursday October 22<sup>nd</sup> 2020**

**Dear Parents,**

**Half Term Holiday**

Just to remind you that the school is closed tomorrow, Friday 23<sup>rd</sup> October for a staff training day, and reopens after the half term holiday on the morning of Monday 2<sup>nd</sup> November. The children have responded very well to all of the routines we have put in place this half term and have, most importantly, appreciated being back in their school again. They have worked hard and are ready for their half term break. I hope they will be able to enjoy some half term treats with you.

**Parents' Meetings**

Our parents' meetings are scheduled for the week beginning November 23<sup>rd</sup>. We are unable to invite you into the school this year so we will be writing to you after half term to arrange telephone appointments with your child's class teacher.

**COVID-19 Test**

Can I please remind you that if you take a COVID-19 test, you must isolate with your whole household until you are informed of the result of your test. You must not send your child into school while you or any member of your household is waiting for a COVID-19 test result.

**Mr. and Mrs. McVittie**

On a happier note, we are delighted to tell you that Mr. and Mrs. McVittie's new baby girl, Isabelle Niamh, was born last week. Both Mrs. McVittie and the new baby are very well.

Thank you all for your support during this challenging but successful half term. If we continue to work together and take care of one another, we will be able to make next half term just as successful for the children.

Best wishes,

N. Park
