The brilliant Y1 and Y2 FUNdamentals Sport Club will return on Thursdays after half term. The club will develop your child's fundamental movement skills connected to agility, balance and co-ordination. Activities will be linked to, throwing, catching, running and much more!

Developing the fundamentals in agility, balance and co-ordination are proven to help children in their cognitive processing when learning. The club is suitable for girls and boys and will be led by Infant Sport Specialist Mrs Hill. It would be great to see lots of children taking part having fun with their friends.

Children will be able to get quickly changed into their kit after the school day.

The total club cost will be £12.50. Can you please visit ParentPay to secure your place on the Y1 & Y2 FUNdamentals Sport Club. Places will be given out on a first come first serve basis. Please also state any medical conditions that we may need to be aware of (such as asthma) on ParentPay.

Parents/Guardians should be at the front entrance ready to collect their child just prior to 4.15pm so children can be handed back safely.

Yours sincerely,

Mr B. McVittie
