

## St Bede's Catholic Primary School, South Shields

### Key stage 2 Provisional Results School, BCCET and national comparisons September 2022

These are the first key stage 2 attainment statistics since 2019 after assessments were cancelled in 2020 and 2021 due to the pandemic. These statistics cover the attainment of our year 6 pupils (cohort of 30) who took assessments in summer 2022. These pupils experienced disruption to their learning during the pandemic, particularly at the end of year 4 and in year 5.

**St Bede's pupils achieved higher than the national average and the Trust average in all subjects at both the expected standard and the greater depth standard.**

## St Bede's KS2 headline results July 2022

### Reading, Writing and Maths combined

**St Bede's are above the national and Trust data for reading, writing and maths combined at both the expected standard and the greater depth standard.**

**St.Bede's:** 86% of pupils achieved the expected standard in reading, writing and maths in 2022 **up** from 80% in 2019

**National:** 59% of pupils achieved the expected standard in reading, writing and maths in 2022 **down** from 65% in 2019

**BCCET:** 69% of pupils achieved the expected standard in English, writing and maths in 2022 **down** from 71% in 2019

### Reading

**St.Bede's continues to be consistently above national and also the Trust data for reading at the expected standard and above the Trust data at the greater depth standard (No 2022 National data for greater depth available yet)**

St Bede's: 93% of pupils reached the expected standards in 2022, **up** from 83% in 2019

National: 74% of pupils reached the expected standard in 2022, **up** from 73% in 2019

BCCET: 81% of pupils reached the expected standard in 2022, **up** from 81% in 2019

### Writing

**St.Bede's continue to be consistently above national and Trust data for writing at the expected standard and above the Trust data at the greater depth standard (No 2022 National data for greater depth available yet)**

St.Bede's (Teacher Assessment): 90% of pupils reached the expected standard in both 2022 and 2019

National: (Teacher assessment) 69% of pupils reached the expected standard in 2022, **down** from 78% in 2019

BCCET: (Teacher assessment) 80% of pupils reached the expected standard in 2022, **down** from 84% in 2019

### Maths

**St.Bede's continue to be consistently above national and Trust data for maths at the expected standard and above the Trust data at the greater depth standard (No 2022 National data for greater depth available yet)**

St Bede's: 87% of pupils reached the expected standard, **down** slightly from 90% in 2019  
National: 71% of pupils reached the expected standard, **down** from 79% in 2019  
BCCET: 80% of pupils reached the expected standard, **down** from 85% in 2019

### **Grammar, punctuation and spelling**

**St.Bede's continue to be consistently above national and Trust data for EGPS at the expected standard and above the Trust data at the greater depth standard (No 2022 National data for greater depth available yet)**

St Bede's: 90% of pupils reached the expected standard in both 2022 and 2019  
National: 72% of pupils reached the expected standard, **down** from 78% in 2019  
BCCET: 80% of pupils reached the expected standard in 2022

### **Science**

**St.Bede's continue to be consistently above national and Trust data for science at the expected standard**

St Bede's: (Teacher Assessment) 90% of pupils reached the expected standard in 2022  
National: (Teacher Assessment) 79% of pupils reached the expected standard in 2022, **down** from 83% in 2019  
BCCET: (Teacher assessment) 87% of pupils reached the expected standard in 2022

Attainment in science is not directly comparable to some earlier years (2016, 2017 and 2018) because of changes to science teacher assessment frameworks in 2019.
