

**TIMES
TABLES
ROCK
STARS**

The logo is centered on a background split diagonally from the bottom-left to the top-right. The upper-left portion is purple, and the lower-right portion is pink. The text 'TIMES TABLES' is in blue, and 'ROCK STARS' is in pink. The text is set within a black, rounded, wing-like shape with a white outline. There are four lightning bolt symbols: two yellow ones (top-right and bottom-left) and two black ones (top-left and bottom-right) positioned around the central logo.

PRESENTS

A GUIDE TO THE MTC

WHAT ARE WE GOING TO COVER?

- What is the MTC?
- MTC key facts.
- Preparing pupils for the MTC.

INTRODUCTION

- The Multiplication Tables Check (MTC) needn't be daunting!
- For many pupils, it's a fantastic opportunity for pupils to show off their fluency with their tables, which they've been practicing for years.

WHAT IS THE MTC?

- The MTC stands for Multiplication Tables Check.
- Set by the government, the MTC is an on-screen assessment designed to determine whether pupils are able to fluently recall their multiplication tables up to 12, through a set of timed questions.

MTC KEY FACTS.

- There is a 2-week check window starting 2nd June 2025 during which schools will complete the MTC with pupils in Year 4.
- Pupils will have 3 practice questions before the check begins.

MTC KEY FACTS

- The MTC will ask the pupil 25 random multiplication questions- they will not be asked division questions.
- Pupils will have 6 seconds to read the question, understand it, and enter a response. They will then receive a 3 second pause before the next question is shown.

MTC KEY FACTS.

- Schools can decide whether the pupils take the test on a tablet or a computer, but there is no option to complete the test on paper.
- Teachers will have the flexibility to administer the check to individual pupils, small groups or a whole class at the same time.
- There is no pass mark for the MTC.

MTC RESULTS

- After the MTC window closes, schools will be able to compare their school average, with their Local Authority and National average.
- More guidance can be found [here](#)
- How will we share your child's (childrens') the results with you?

PREPARING PUPILS : SCHOOL

- *We might* be spending a bit more time practising our times tables in class.
- Children *might* be set more times tables specific homework.
- *We might* be organising more class tournaments and asking pupils to play on Times Tables Rock Stars 15 minutes a week.

PREPARING PUPILS : OUT OF SCHOOL

- Regular verbal times tables practice.
- Download the TTRS free app on to a home device.
- Play Times Tables Rock Stars 3 minutes a day.
