

Pupil Led 'Let Us Pray 2gether' Celebration of the Word

The children chose the theme of Love based on discussions that have arisen during our RE topic and subsequent lessons. They planned the COTW, assigning each person a role, choosing to:

- **Gather** in silence in the classroom and children to quietly think about something that has made them feel happy or sad this week. Children were encouraged to share their thoughts and feelings with one another.
- The children **listened to the Word** and one of the children shared '**Love is patient and kind**' 1 Corinthians 13:4-7.
- **Response to the Word** – the leaders asked the children to place a stone in the bowl below the cross in the classroom whilst the rest of the class prays for them in their hearts in quiet prayer.
- **Mission** – the leaders were asked to pin a prayer peg on a member of the class.
